The Hon. Ronnie Abrams  
United States District Judge  
U.S. District Court, S.D.N.Y.  
40 Foley Square, Room 2203  
New York, NY 10007

Re: *Savor Health, LLC v. Andrea Day*; Dkt. No. 19-cv-9798 (RA)(JEW)

Dear Judge Abrams:

I respectfully submit this letter motion for an extension of the briefing schedule on the parties' cross-motions for summary judgment, with the consent of counsel for Savor Health.

The current briefing schedule was established after the Court addressed certain procedural and evidentiary issues presented by Savor's summary judgment submissions, after hearing the parties on those issues (*see* Dkt. 190), as well as the Court giving consideration to the time involved in managing my sister's illness. This further extension is requested due to yet additional complications in managing medical and other care for my sister, which *inter alia* requires frequent round-trip travel to Connecticut. The proposed, revised schedule extends the briefing dates as follows:

- Day's opposition and cross-motion: from January 5<sup>th</sup> to January 19<sup>th</sup>;
- Savor's opposition and reply: from January 31st to February 14th; and
- Day's reply: from February 15th to March 1st.

Thank you for the Court's consideration of this request. Best wishes to all for a Happy New Year.

Respectfully submitted,

/s *Kerry E. Connolly* Application granted.

Kerry E. Connolly SO ORDERED.
